PhD School in Statistics

School opening

Cycle XXVII

Friday January 20, 2012

Room SC 140
Complesso Santa Caterina
Via C. Battisti 241 – Padova

www.stat.unipd.it/phd

The PhD School in Statistical Sciences welcomes the new PhD students, starting their doctoral program in January 2012.

The event foresees an invited research lecture followed by two real life PhD experiences reported by Padua PhD School alumni.

Recent PhD students' research results are presented in a poster session.

Programme

3.30 pm

Welcome

Alessandra Salvan

Head of the Department and Director of the PhD School in Statistics, University of Padua
